Secretary's Note:

Summer is always a busy time of year for many people and now fall is right around the corner. Here is a brief summary of what the IMHC has been up to this past month. The IMHC put on our annual AMHR Expo show July 17[&] 18, 2010. The show was held at the Ellsworth Community College Equine Facility in Iowa Falls. This was a brand new state of the art facility with a lot of amenities. It seemed like everyone that could make it enjoyed themselves and had a nice time. A big thank you goes out to all who helped out with the show.

Our annual trail drive and potluck will be at Rhodes, Iowa again this year. The date is set for Sunday October 3rd. The trail drive will start at 10am and the potluck will follow around 12:00 or 12:30 pm. This is always an enjoyable day so come have fun!

IMHC Secretary
