## IMHC FUN SHOW

The Iowa Miniature Horse Club hosted a Fun Show Saturday, June 13 at Marshalltown, Iowa. Classes were open to any miniature horse that was 38" and under. Many club members and families put in a full day of classes, some horses were used by 3 or 4 different people! Erin Calkins was very deserving of a big thank you for all the work she put in to make it a fun day for everyone. There were not only rib-

bons awarded but prizes were given to those that were lucky enough to have their name drawn. This is an annual event that newbies can try their hand at showing and young horses can enter a show ring and learn what it is all about, There were many fun games as well and it would be safe to say a Great day for all involved.
